

The McKinley Family

to Ireland

2 Corinthians 4:5
For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake.

Dear Pastor and praying Friends:

Family Matters:

Our family is excited to be back in "our home" in Ireland. We enjoyed the time getting to see family and many friends again, but it is so obvious that this is where we should be.

I will be returning to the States for a few more meetings on the 17th of March. My time is almost completely booked up. I will be in 5 different states in 5 weeks. I do covet your prayers during this time of travel for safety, and for the church here in Ireland, and my family which will remain in Ireland for this part of the travelling.

Our family's health is good, but I am having some left over effects from the flu. I had ear infections in both ears, and the infection cleared up about 7 weeks ago, but my inner ear is still filled with fluid. My hearing is very muffled, as if my head is under water. I am going to the Doctor tomorrow to possibly get tubes put in to drain the fluid. Also, my right sholder has given me pain since last July when we moved to our new house. I have had 2 MRI's done to determine the cause of the pain. Our doctor is concerned that I may have a herniated disc in my shoulder/neck area pinching the nerves and causing the pain. I do ask you to pray that we can find the cause of this soon. Other than my hearing and shoulder, I have not slowed down at all in the tasks of serving the Lord. God is so good, and continues to bless and strengthen as we move forward trusting Him.

Ministry Matters:

We had 38 yesterday in our church service, and God continues to work in hearts. We have a new family coming, and we are praying that they will join the church, and continue to grow in the Lord.

We are having some good visits door knocking, and have an opportunity to return tomorrow and talk about our Lord's Salvation to a young man named David. Please pray for him to be saved. We see the blindness that Satan has put on people's eyes, and we need the power of God to break through this blindness that these may come to know Jesus as their Saviour and Lord.

Tom Baker will still be preaching all of the services while I am in the States for the next 5 weeks. He continues to grow and mature in his walk with the Lord. Please continue to pray for him to have Godly wisdom, and depend upon the Lord to lead.

Thank you so much for continuing to keep us before our heavenly Father in prayer. We praise the Lord for His goodness and grace!! Pray that we would be yielded, usable vessels for God to reach these people for His Kingdom and His Glory. Thank you so much for your prayers and support. Ephesians 6:18-20
