September 2009 Newsletter of Sword Deaf Ministries

Dear Pastor and Friends,

Thank you for your prayer support as we do our best to use our time and your support for the glory of our Lord Jesus Christ.

On July 27 to 31, I preached at the deaf camp in Powell, Tennessee for a week and saw one soul saved. My wife and I taught the book of Titus at the workshop at the camp.

On August 13 to 20, I preached at the deaf camp in Pennsylvania for a week and saw five souls saved. It was a great week because I preached at the church on Sunday and a church music director came to accept the Lord! The pastor and the people were surprised but very rejoiceful!

On August 30 to September 2, I was at Cedar Ridge Baptist Church in Tennessee for a mission conference. I preached every night and many people came to altar. It was a great mission conference.

On September 6 to 9, we had the Sword Deaf Bible Conference at Crossroad Baptist Church in Halls, Tennessee. We had Rev. Scott Crabtree, Rev. Mike Bader, Mr. Ralph Francini and I were the speakers. It was a wonderful conference. We had 50 deaf and 80 hearing came.

On September 20 to 25, I presented my ministry at mission conference in Estill, Tennessee. Pray that they will support us.

I am traveling with the choir on deputation to raise the supports for our ministry and college in Knoxville Tennessee. If you like to have me come to speak at your church for a new support or report your church. Email us at fredandsherrie@cleaninter.net with your phone numbers and I will call you. I have several meetings in the fall. If you have any question, email me.

Please notice to change the mailing address for send supports check to Sword Deaf Ministries or Adams Ministry P.O. Box 70289 Knoxville, TN 37938. The last letter I explained God leads us to establish the deaf church and start the college in Knoxville, Tenn. We are waiting for the prayer card ready in a month. We will mail it to you when it comes in. We need your church to keep your support and prayers for us.

Deaf souls for Christ,
